QUICK OVERVIEW

1. High multileaf expression
2. Good regrowth
3. Superior disease resistance
4. Persistence
5. Winterhardy

ADAPTATION

Tophand MF Alfalfa is an high expression multileaf variety that demonstrates increased yield potential and quality.

In addition, with its deepset crown, Tophand offers increased resistance to crown damage as a result of animal traffic or harvesting equipment. We recommend Tophand MF Alfalfa under most soil conditions in Western Canada.

Discuss further with Northstar Seed or your local Northstar Seed Dealer.
